

Benefits of belonging to CHBA- Sea to Sky

- **Credibility**-As a member of CHBA -Sea to Sky, you are recognized by the public as a professional and experienced reliable builder or tradesperson.
- **Vision**- Long term support from Association, keeping in mind a vision with sustainable practices that will help support ALL companies involved in the industry; well into the future.
- **Member's Luncheons**- Monthly meetings held the second Wednesday of every month to educate our members and their staff on the latest industry's practices. These are well attended and give each member the opportunity to network with their peers.
- **Network**- Build relationships and network with industry professionals, potential clients and peers through our monthly meetings and a variety of our functions. This allows you to establish quality business contacts & earn the respect of fellow members.
- **Advocacy**- CHBA Sea to Sky is working on the behalf of all Builders in the Sea to Sky Corridor to create liaisons with the local municipalities, so that all parties can come together on important residential building issues such as the Non-Conforming Space Issue in Whistler.
- **Provincial & National Support**- Your fees include membership with CHBA-BC who have been instrumental in working with HPO & the government to standardize educational levels for builders & regulating permits which will help to eliminate the underground economy. It also includes membership with CHBA, the national body that lobbies the federal government on issues relevant to the homebuilding industry. Both of these groups are well respected and influential with elected officers advocating on behalf of the Home Builder Industry.
- **Membership Directory & Web Page**-
We publish this annual directory which includes a free listing for each member and the opportunity to advertise (at a discounted rate for members only!) This publication will be distributed to over 1000 consumers via retail outlets, local realtors & at our annual Tour of Homes.
Our website: www.chbaseatosky.com offers a free listing of each member & lists information on each CHBA Sea to Sky event being held.
- **Education & Training Opportunities**-CHBA training courses are offered at a reduced rate for members and allow you & your staff up to keep up to date on various topics in your industry as well as business practices. Industry standards have been set offering such certifications as: **Certified Residential Builder (CRB)**, **Registered Housing Professional (RHP)** and **Registered Renovation Professional (RRP)**.
- **Cost Savings**- CHBA Sea to Sky members have access to numerous discount programs from such businesses as Bell Canada, Petro Canada, Rogers Wireless, Chevron & NEB's. CHBA Sea to Sky is a not-for-profit association which means your fees are tax deductible!
